

Belk Library AR Tour

Welcome to the Belk Library and Information Commons Augmented Reality Tour!

This self guided tour will show some of the great services available at the Belk Library and Information Commons. Each stop on the tour is listed on the map and will be recognizable by the QR code similar to the one listed below. Follow the codes and discover some of the library's great services!

1. Download the free Assemblr App onto your smart device. Don't have one? No problem. Head down to the Technology Checkout Desk on the Lower Level to check out an iPod. It will already have the app and maps downloaded.
2. Check the map and move through the stops sequentially, starting with #1: The Library Service Desk.
3. Look for the QR code. Open the Assemblr App and press  Hold the camera up to the marker. After a moment of loading, you should be able to see the information on your screen.
4. Go through the map and visit all 10 markers.
5. Head over to <https://library.appstate.edu/ARtour> and fill out a quick survey to help us keep improving the tour.
